Society of Monash Electrical Engineering Alumni

Annual Dinner

Wednesday 30th June 2010

at 7pm

Monash University Club, Clayton Campus

Cost: $55 per person, payable on the night.
Please make cheques payable to SMEEA

Main Speaker: Peter Seligman BE(67), PhD(73)

From milliwatts to Gigawatts

From the Bionic Ear to a Sustainable Energy Plan for Australia

Peter Seligman joined the bionic ear project at Melbourne University in 1979. He has been the key electronics designer of the prosthesis through seven generations of its manifestation. He transferred to Cochlear, the company that manufactures and supports the ear, in 1983 and retired from there in 2009. In addition to his milliwatt work with the bionic ear he has had a lifelong interest in sustainable energy projects and since retirement from Cochlear has pursued these interests with vigour. Peter was awarded a Doctorate in Engineering from Melbourne University in 2009.

If you wish to attend the dinner please let us know, preferably by e-mail, by 23rd June 2010.

Our e-mail address is smeea@eng.monash.edu.au

Alternatively, you may wish to register by filling in the slip below and mailing it to:

SMEEA, Department of Electrical and Computer Systems Engineering, Box 35, Monash University, Victoria 3800.

I wish to attend the SMEEA dinner on 30th June 2010 and enclose herewith a cheque for $55.
